The IFOMPT conference is a **prestigious event** taking place every 4 years. **Innovation and research in neuromusculoskeletal physiotherapy** are the main focus and offers you an excellent opportunity to get in touch with the Swiss and international audience. The conference theme „**crossing bridges**“, brings together several important thematic areas:

Translation of science into practice, direct access in an international context, untapped fields in the field of movement and prevention, and the transformation of manual therapists into experts in musculoskeletal complaints.

The conference is expected to bring together:

1'750 experts
45 different countries
over 50% from
Switzerland

Members of
svomp and
IFOMPT

Specialists from the
clinical, academic
& research field

A highlight of the conference will be the **50th anniversary of IFOMPT** with an unforgettable celebration.

We look forward to sharing with you an outstanding conference in Basel.

Laura Finucane
IFOMPT President

Marion Schreiner
Conference Chair

Felicitas Frank
svomp President
